### RGS-4121

|                        |                           |
|------------------------|---------------------------|
| Best Price             | no                        |
| Description            | 1 way hydraulic hose reel |
| Medium                 | hydraulic oil             |
| Supplied with hose     | no                        |
| Winding length (m)     | 13                        |
| Internal Hose Diameter | 8mm(5/16")                |
| Length (m)             | >10-15                    |
| Number of Hoses        | 4(2xtwin)                 |
| P range (bar)          | >300-600                  |
| Drive                  | spring                    |
| Material               | steel                     |
| P max (bar)            | 350                       |
| Ratchet Lock           | optional                  |
| Cycles                 | 100000                    |
| Installation method    | 5<br>3<br>2               |
| Hosestop               | option                    |
| Bendradius (mm)        | 99.5                      |
| Connection inlet       | 8mm(5/16")                |
| Connection outlet      | 8mm(5/16")                |
| T max (°C)             | 80                        |
| Mounting               | radial                    |
| Seals                  | PUR                       |
| Model                  | open                      |
| Power Supply           | not applicable            |
| Transmission           | direct drive              |
| Finishing              | powder coating            |
| Hose guide             | no                        |
| Application            | industrial                |
| KG                     | 32                        |
| Color                  | black                     |
